Off White
#F7F8F9

Typography

Primary recommendation: Gotham Book / Gotham Medium

Accessible alternatives: Inter Display, Montserrat, Avenir Next, Helvetica Neue

Use uppercase headings with wide letter spacing for a clean engineering-consultancy look.

Important

- This package preserves the approved PEC artwork and corrects only the bottom word to CONSULTANTS.
- SVG/PDF/EPS files are embedded-image formats to avoid changing the approved logo shape.
- For a true editable vector file, recreate this exact approved artwork in Illustrator and outline the text.
